

Welcome to the Badger VMAX Chat Room – Rules of Conduct.

These rules are not to stop you having fun but have been drawn up to stop a minority of people spoiling the fun for everyone else. Please read them and if you have a question feel free to contact us.

1. No discussion of any illegal activity or threats of violence.
2. No discussion of drug use.
3. No use of explicit, obscene or vulgar language or images and/or messages, including racist remarks.
4. No chats that attack, insult, "flame", defame, or abuse members or non-members. Respect other members and don't belittle, make fun off, or insult another member or non-member. "Flaming" and insults, however, will not be tolerated. Agree to disagree. This applies to everything.
5. No advertising or links to advertising or "Spam" is permitted (including signatures). Advertising or Spam is defined as posting a link for the purpose of selling, soliciting or promoting by someone that has ownership or other "vested interest" to the web site involved, including efforts to promote other online forums or web sites by web site owners. If you are a web site owner and have a link that fits into this category that you want to share, please submit it to the Administrator and we will review your submission.
6. No links to any web site or use of any username that fits into rules # 1-4 above.
7. No use of multiple usernames. Please register and use only one username for the forums. Posting under multiple user accounts will result in administrative action (i.e. banning).
8. No chat of an overtly political or religious nature OR chat promoting advocacy of particular personal, medical, legal, religious, political, or non-profit causes. Debating controversial subjects should be taken elsewhere. Limited religious references are allowed (i.e. "my prayers are with you" or a brief quote as part of a larger chat), but the chat rooms should not be used to convert others.
9. No cryptic messages. Using cryptic messages to "skirt" the rules is not permitted.
10. If it shouldn't be viewed by minors, then it shouldn't be mentioned in a chat. This is a public, friendly chat.
11. Do not disrespect the Administrator. Be respectful in the chat rooms and any private communications with Administrator. The Administrator volunteers many, many hours of his own time to help in this chat room. Violations of this rule will not be tolerated.
12. No SHOUTING. Remember, using ALL CAPITAL LETTERS in chats is considered yelling and rude, plus it is difficult to read.
13. Do not enter any personal contact information (i.e. your home address, phone numbers etc.) and do not ask for personal information from others. Use of full names (your first and last name) is allowed but strongly discouraged. This is to protect your security and identity.
14. No lengthy signatures. Limit signatures to 10 lines or less. Administrators will edit and/or remove signatures that are too long.
15. The Administrator's word is final. The rules are subject to change at the discretion of the Administrator and no notice will be given.
